We Are Ecumenical ...We Agree to Disagree

Jenny Armstrong

What does it mean to agree to disagree? It means I need to understand what you believe. It means you need to understand what I believe. We need to communicate. We are Ecumenical. We agree to disagree. We stay together and communicate. We are friends who love each other. We agree to disagree. What does it mean to be Ecumenical? It means we differ in our beliefs, but we still share. We are not afraid to share our beliefs. We share. We accept. We understand. We are Ecumenical. We agree to disagree. We stay together and communicate. We are friends who love each other. We agree to disagree.
